The **Quality Deer Management Association (QDMA)** is a non-profit wildlife conservation organization dedicated to ensuring a high-quality and sustainable future for white-tailed deer and white-tailed deer hunting.

QDMA currently has more than 50,000 members in all 50 states and several foreign countries, including many deer management professionals.

**Quality Deer Management (QDM)** is a management philosophy/practice that unites landowners, farmers, hunters, and managers in a common goal of producing biologically and socially balanced deer herds within existing environmental, social, and legal constraints.

The **Western Chesapeake Watershed Branch** of QDMA represents Montgomery, southern Frederick, Howard, and Prince George's counties in Maryland.

Please join us for the first offering of the WCWB Lecture Series -  
*"Intro to QDMA and Forming QDM Cooperatives"*

This educational lecture series is open to everyone - including landowners, community members, farmers, wildlife managers and conservation professionals, and hunters alike.

The WCWB Lecture Series is an introduction into the QDMA and the benefits it will provide those within the WCWB area, as well as an in depth look into the methods of QDM and how it can be practically applied in the WCWB area.

This lecture will cover many topics, with a focus on establishing effective QDM Cooperatives between neighboring landowners and farmers to accomplish a deer management objective.
